The logo for SIFAX GROUP is centered on a red background with curved, overlapping bands. The word "SIFAX" is written in a bold, sans-serif font with a yellow-to-orange gradient and a slight 3D effect. The letter "X" is stylized with a blue-to-teal gradient and a sharp, upward-pointing arrowhead on its right side. Below "SIFAX", the word "GROUP" is written in a smaller, bold, sans-serif font with a blue-to-teal gradient and a slight 3D effect.

SIFAX
GROUP

Vision

To become one of the biggest global multinational corporations

Mission

To deploy the latest technology and equipment, first-class workforce and creative processes and standards in the provision of prompt, effective and qualitative services and solutions in all our areas of operations, to the ultimate satisfaction of our clients

Core Values

- Consumer-centric
- Professionalism
- Passion
- Creativity
- Excellence
- Integrity

THE GROUP

SIFAX Group is one of the fastest growing multinational corporations with diverse interests in Maritime, Aviation, Haulage & Logistics, Oil & Gas and Hospitality. With head office in Lagos, Nigeria, the corporation maintains offices in Ghana, Morocco, United Kingdom and the United States.

SIFAX Group began operations in 1988 as a clearing & forwarding agency but has grown over the years to give birth to many subsidiaries, making substantial contributions to the economy in countries where they operate.

OUR UNIQUENESS

The company has built a reputation of excellent service delivery anchored on the foundation of competent workforce, world-class services, consumer-centric philosophy, tailor-made business solutions and modern equipment deployment.

Our consumer-centric philosophy compels us to put the customers and their best interest at the centre of our operations. We constantly review our processes and innovate in order to meet the dynamic and unique need of each customer.

We understand that the need of each customer is peculiar due to their ability, taste, experience and business demands. Our strategy is that we listen to our customers, who we see more as business partners, understand their unique needs and deliver bespoke solutions that address their uniqueness. From port terminal operations to freight handling, haulage and logistics, warehousing, related logistics intermediary services, and other non-logistics services like hospitality and oil & gas, **SIFAX Group** has developed the capacity to satisfy different categories of customers. Every time we handle any business for our customers, **DELIVERING BEST VALUE** is our ultimate goal.

SIFAX Group places a premium on the quality of its personnel and therefore has a recruitment policy that guarantees the engagement of only the best hands. All the companies in the Group are managed by a team of tested professionals, expatriates and Nigerians, with a proven track record of achievements; working with a team of well-trained and motivated staff to ensure that the goals of the organizations are met.

The deployment of technology is also one of the key unique selling propositions of the **SIFAX Group**. All the companies in the Group deploy state-of-the-art technology in operations, communication and information management.

SIFAX Group has made a huge investment in the acquisition of modern equipment and facilities that makes the process of meeting the needs of the customer very easy. These include Rubber Tyred Gantries, Shore Cranes, Reach Stackers, Forklifts, Terminal Tractors, Haulage Trucks, Passenger Step, Cargo Warehouses and Premium Lounge, among others.

Subsidiaries

PORTS & CARGO HANDLING SERVICES LIMITED

Ports & Cargo Handling Services is the port operations arm of SIFAX Group. It was among the few terminal operators given concession in 2006 to run port terminals in Nigeria in the light of the Federal Government's decision to build capacity in the maritime industry through public – private sector partnership.

The company manages the Terminal C at the Tin Can Island Port, Apapa, Lagos. The terminal has FOUR berths with a combined length of 795 meters and 13 meters draft and conveniently handles bulk/general cargo carriers, as well as container and RORO vessels.

Ports & Cargo Handling Services Limited has completely changed the face of port terminal management in Nigeria with its multi-million dollars investment in functional and modern cargo handling equipment including shore cranes, RTGs, terminal tractors, among others. There has also been a massive investment in the provision of other infrastructure at the terminal as well.

With other innovations like computerized container tracking and ship planning, the company offers the port users excellent service that has turned the terminal to a port of first choice in Nigeria for vessel owners, ship agents, clearing agents, among others.

SIFAX

OFFDOCK NIGERIA LIMITED

SIFAX Off-Dock Nigeria Limited operates the off-dock facilities and services of the Group. With various terminals located within the vicinity of both the Apapa and Tin Can Island ports in Lagos, Nigeria, the company is strategically located and accessible to the major ports from where it easily receives cargo as a temporary hold and provides easy exit for custom-cleared cargoes to any part of the country.

The terminals in Trinity, Apapa, Okota and Ijora (Empty Terminal) have a huge capital investment outlay in digital and modern terminal facilities, automated handling equipment, as well as latest Information and Communications Technology and security devices. In addition to well trained private security personnel and local arm men, well-armed mobile policemen are also on ground to provide round-the-clock security that ensures absolute safety of cargo, facilities and human lives.

The enormous cargo capacity of the offdock area has immensely supported the speedy decongestion of cargoes from the main ports and the expertise of our well-trained workforce has aided faster delivery to consignees.

Tanks

The Trinity terminal, which is the flagship depot of the company, occupies an area of 31,000 square metres with capacity to hold over 2,000 units of containers. This is one of the few terminals in Nigeria (both conventional and offdock) that has functional and effective Reefer containers storage facilities with 200 plug-in points (with room for further additions). We have adequate power supply and two (2nos) 500KVA; One (1no) 350KVA and one (1no) 250KVA generating sets as back up for our 24 hours operations.

The company offers warehousing services, which include efficient operations of bonded warehouses and terminals; as well as cargo and freight forwarding operations with efficient framework that monitors movement of cargoes from the consignor to the consignee's warehouse in a cost effective and timely schedule.

Reefer containers

Terminal	Capacity
Trinity, Apapa	<ul style="list-style-type: none"> • 2,625 TEUs, • 200 Reefer Units

Ijora, Lagos (Empty Container Terminal)	<ul style="list-style-type: none"> • 1,380 TEUs

Business Solutions: ■ Bonded Terminal Operations ■ Warehousing ■ Cargo & Freight Forwarding

SIFAX
SHIPPING
COMPANY LIMITED

With the aim of offering its global clientele unique one-stop shop for shipping services, SIFAX Shipping Company Limited was founded to provide a variety of complementary, quality shipping services.

The company has taken advantage of the global network of the Group to expand its shipping operations in the whole of West African sub-region representing its business interests and those of other renowned ship owners and shipping companies across the world as ship agent.

We also handle the clearance and delivery of consignment from customs and other agencies in both the seaports and airports. Our airfreight services include full documentation, customs clearance, tracking and tracing.

Business Solutions:

- Groupage
- Cargo consolidation
- Warehousing
- Ship/Protective Agency
- Ship Husbandry
- Ship chartering
- Import
- Export
- DDU services
- Packing & Removal.
- Airfreight services (full documentation, customs clearance, tracking and tracing, etc)

SIFAX HAULAGE & LOGISTICS LIMITED

SIFAX Haulage & Logistics Limited prides itself as one of the leading haulage companies in the West African sub-region. Over the years, it has expanded its capacity to deliver goods anywhere across West Africa. The key objective of the company is to satisfy the customer by providing a timely and cost-effective service.

The company operates a large fleet of functional trucks equipped with relevant cargo security devices, communications and tracking systems to monitor cargo movement on transit. Despite our and safety measures, we deploy insurance for all categories of clients.

Today, we have achieved door to door delivery, as we provide total cargo delivery solution in the chain of international freight forwarding and Customs clearance.

Our personnel are trained to monitor customers' consignments at all levels and stages on transit for safe arrival of the goods. This way, we save time, reduce cost and unnecessary anxiety from clients. We are a multi-modal transport operator, diverse warehousing operator and fleet owner based in Nigeria and with branch offices in other parts of the world. We deliver clients' cargo when and where they need it and our services are customized to each client's needs and specifications at competitive prices.

We employ modern, advanced Information and Communications Technology systems and ensure that clear tracks of our multi-modal logistics chain are followed via our tracking system.

- 🔗 Competitive pricing

SIFAX Oil & Gas Limited was incorporated in 2010 and commenced business same year. It participated in the government regulated international trading of petroleum products in 2010 and 2011.

A parcel of land was acquired to build a 60,000,000MT (Sixty million metric tons) capacity Tank farm while it has also acquired a licence to build a 120,000 bpd (One hundred and twenty thousand barrel per day) capacity Greenfield refinery in Nigeria.

Upon conclusion of these two major projects, SIFAX Oil and Gas Limited is poised to fully establish its presence as a key player in the Nigerian energy downstream sector with opportunities in the West-African sub region also beckoning.

SIFAX Oil and Gas Limited is set to be a world class 'one-stop shop' for all downstream business activities ranging from refining of the crude oil to the storage, sale and distribution of the refined products.

SIFAX LOGISTICS AND MARINE SERVICES LIMITED

SIFAX Logistics & Marine Services (SLMS) Limited was established solely as a vehicle for the growth and maximization of Nigeria local content participation.

SLMS provides special transportation with respect to offshore support services, marine vessel transportation, towage and other related marine services to both offshore and onshore oil terminals in Nigeria and the West African region.

The company specializes in provision of high quality marine support solutions putting safety and environment at the forefront.

Safety means everything to our clients and to us. We believe that all accidents and incidents are preventable and that no business objective is so important that it should be pursued at the sacrifice of safety. Unconditionally, living this principle in all our operations is a matter not only of maintaining a solid safety record, but also of protecting human lives and environment. We do it safely or not.

Innovation is not only a matter of inventing and applying new technology. We pursue second-to-none and cost effective solutions by integrating great technology, great minds and great skills. Recognizing that no client is just another client, and that no job is just another job, we tailor solutions to match the geographical, maritime and business environment in which our clients operate.

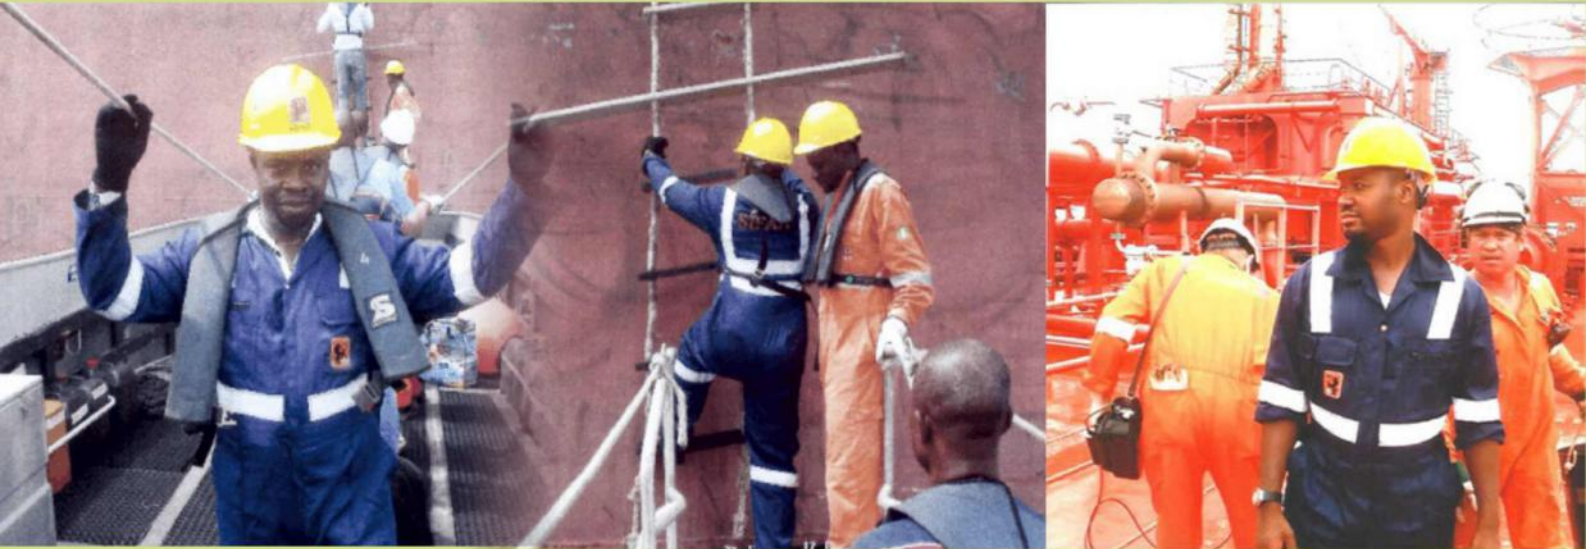

SIFAX NIGERIA LIMITED

SIFAX Nigeria is a holistic service provider company with expertise cutting across trade, marketing, global merchant representatives, engineering services, project consulting services and many more.

SIFAX Nigeria Limited, which was incorporated in 1988 has handled and executed projects in diverse sectors locally and internationally. The company has a solid presence in the Niger Delta, with deep involvement in offshore operations. The company has built partnerships with international oil companies by helping them facilitate technical arrangements in their operation schedule.

Since 2012, the company has been acting as an agent on behalf of the Nigerian Ports Authority (NPA) in the monitoring of crude oil lifting and pollution control at the Nigerian offshore export terminals within the Bonny/Port Harcourt Pilotage District (Bonny, Brass, Okwori, Okono, Okoro, Akpo, Ima).

Business Solutions: ■ Crude Oil Monitoring ■ Security

SIFAX

STEVEDORING LIMITED

Another critical service provided by the company is Stevedoring. SIFAX Stevedoring Limited operates with a dynamic pool of well trained dockworkers who are experts in the loading and discharge of a wide range of cargoes.

SIFAX Stevedoring has the ability to provide dockworkers for any loading and discharge operations. The company also has well trained technical staff in its arsenal that can handle heavy duty cranes, forklifts, other equipment and port handling services.

As a well structured company, SIFAX Stevedoring Limited handles the doring activities for one of the group's subsidiaries Ports & Cargo Handling Services Limited. The activities of the SIFAX Stevedoring Limited have boosted Ports & Cargo terminal's dwell time and vessel turnaround Plant hiring services, terminal operations and ship leasing are also some of the services the company provides.

SKY CAPITAL AND FINANCIAL ALLIED INT'L LTD

Sky Capital and Financial Allied Int'l Ltd is the financial services arm of SIFAX Group. It was established as an investment and asset management firm to offer wealth creation opportunities through a unique blend of traditional investment management and alternative investment services. We enable businesses to thrive, and help our clients to maximize their returns whilst realizing their most important goals.

- Insurance Brokerage

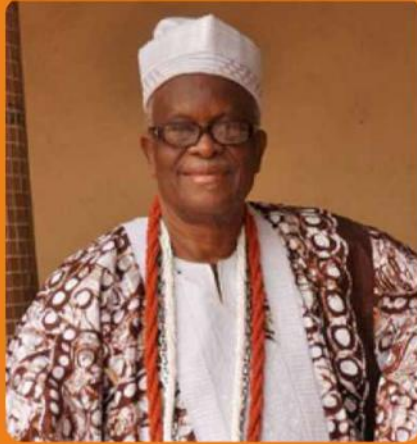

MAC-FOLLY HOSPITALITY

Mac-Folly Hospitality prides itself as a giant leader in the hospitality industry in Nigeria. Over the years, it has expanded its capacity to deliver solutions to hotel services, leisure suites, residential buildings, beer and spirit merchants, brewers, distillers and many more.

Since its incorporation in 2013, Mac Folly has provided cutting-edge services to customers and clients in the country's hospitality industry. Its major strength lies in its ability to provide bespoke solutions, taking into considerations the peculiar needs of each client.

It has handled diverse hospitality projects in Nigeria and is currently working on its flagship project which is the franchised global hotel brand, Marriot Hotel, which is nearing completion at the serene Ikeja GRA, Lagos. When completed, the hotel will provide world-class hospitality services that the brand is known for globally.

Leadership

CEO

DR. TAIWO OLAYINKA AFOLABI

GEVC/CEO, SIFAX Group

Barrister (Dr) Taiwo Olayinka Afolabi is the Group Executive Vice Chairman and the Chief Executive Officer of SIFAX Group. He holds a Law degree and Masters in International Law and Diplomacy from the University of Lagos and was called to the Nigerian Bar by the Body of Benchers in 2009.

He began his professional career with a shipping company, Nigerian Express Agencies Limited, where he distinguished himself and rose to become the Head of Operations. With the zeal of entrepreneurship burning in him, he left the company in 1988 to establish what has now turned to a big conglomerate, SIFAX Group, a business interest with diverse investments in Maritime, Aviation, Haulage, Logistics, Oil & Gas and Hospitality, among others. From a little beginning, the company, which started as a freight forwarding agency in Lagos, Nigeria, currently operates across the world with presence in the United States, Ghana and Morocco, among others.

With about three decades of rich entrepreneurial experience, Dr. Taiwo Afolabi, through the dint of hard work, foresight, resilience, vision and knack for excellence, has emerged not only as one of the leading business icons in Nigeria, but also one reckoned with across the world.

No doubt his wealth of experience organizational prudence and business ingenuity have remained invaluable assets to SIFAX Group, which has become a leading player in the Nigerian economy. The company, alongside its subsidiaries, has generated both direct and indirect employment for thousands of eligible Nigerians. Afolabi is a seasoned maritime consultant and a Fellow of many professional bodies including Nigerian Institute of Financial Management (NIFM), Institute of Freight Forwarders of Nigeria (IFFN) and The Chartered Institute of Arbitrators of Nigeria .He has attended several maritime and aviation-related trainings both locally and internationally on port operations, aviation ground handling operations and business management. Due to his rich experience, Afolabi is a sought-after speaker and facilitator at various industry conferences and mentoring programmes.

He is a recipient of over forty individual awards from diverse organizations, including the 2014 Business Person of the Year which was conferred on him by one of Nigeria's leading Newspaper-Daily Sun.

The Federal Government has also recognized his great contributions with the conferment of national award, Member of the Order of Niger (MON). The accolades are not restricted to Nigeria alone. He is also the Honorary Consul-General of the Republic of Djibouti in Nigeria.

HIS ROYAL MAJESTY, OBA
(DR.) OLUSANYA ADEGBOYEGA DOSUNMU
Olowu of Owu Kingdom, Abeokuta - Chairman, SIFAX Group

HRM Oba Dr. Olusanya Adegboyega Dosunmu, CON, FTA, is the Chairman, SIFAX Group. He studied Drama and TV Production at the Hendon College of Technology, London. He also holds a doctorate degree in Christian Mission.

On graduation from Hendon College, he joined the Dennis Duerden Theatre Agency through whom he had the singular honour and privilege as an African and Nigerian to direct two popular stage plays before large audiences at the Hampstead and the English Stage Company at Sloane Square, London.

He joined the then Nigerian Broadcasting Service in 1966 and immediately became the star-brain behind the Nigeria's most celebrated and popular television drama series, "The Village Headmaster", as its Producer, Writer and Director for many years. He left the NBS-TV in 1972 to float his own private production outfit, Starline Film Limited.

Several star-feature films were produced by this Independent Producer. These included "Dinner with the Devil" which he wrote and directed as his first feature. He also directed the official film of FESTAC '77 and many other documentary and business films including "Eye of Life" written and produced by Francis Oladele – a renowned pioneer of the film industry in Nigeria.

He veered into politics and became the Chairman, Abeokuta Local Government in 1976. His tenure witnessed an unprecedented rapid development throughout the geographical spread of Abeokuta.

He was crowned the 13th Olowu on October 3, 2005. Oba Dosunmu, an erudite scholar and evangelist, is a Life Patron of Abeokuta Club and Grand Patron of Owu Club. He is also a recipient of the UNESCO Honour as promoter of cultural activities in Nigeria. He is also a Fellow of the Theatre Arts of Nigeria (FTA).

MRS. FOLASHADE AFOLABI

Executive Chairman,
SIFAX Off-Dock Nigeria Limited

Mrs. Folashade Afolabi is the Executive Chairman, SIFAX Off-Dock Nigeria Limited. She is a graduate of the Yaba College of Technology, Lagos. The thorough-bred Regional and Town Planning professional also holds a Masters degree in Transport Management, majoring in Logistics from the Ladoke Akintola University of Technology, Ogbomoso, Oyo State, Nigeria.

She has well over twenty (20) years professional experience in building engineering which has taken her through HFP Engineering company and Fast Foot Steps Construction Company between 1989 and 2008.

Before assuming the role of the company's chairman, she had served as its Executive Director from 2008 to 2010. She is also a board member of one of the company's subsidiaries, Skyway Aviation Handling Company Limited (SAHCOL).
